

# Penetration Testing Agreement Extension

This Document ("Extension") extends (as per 1.4 of the original agreement) the existing Penetration Testing Agreement between Crumbs of Joy Cookie Factory, hereinafter referred to as "Client," and the Pentesting Company, hereinafter referred to as "Pentester."

## 1. Scope of Work

**1.7 S7-1500 PLC (10.2.0.51) Assessment:** The Pentester will conduct a thorough examination of the S7-1500 PLC, focusing on open ports and assessing the running services to identify vulnerabilities.

**1.8 TP-1200 HMI (10.2.0.52) Assessment:** The Pentester will conduct a thorough examination of the TP-1200 HMI, focusing on open ports and assessing the running services to identify vulnerabilities

This extension is hereby incorporated into the original Penetration Testing Agreement and is considered an integral part of the agreed-upon scope of work. Both parties acknowledge and accept the terms outlined in this extension. Findings related to both assets will be included in the final report, along with actionable recommendations to address any discovered vulnerabilities.
